

TESTIMONIALS

Dale spoke at the inaugural Victorian Country Football League 3-day conference for football club presidents and secretaries. Speaking on the topic of Leadership and Involvement, Dale was so successful in this area that he was invited back each year for the next 12 years by our organisation. He was voted the best speaker at the conference many times by the attending delegates from throughout Country Victoria.

Barry Senior

Dale addressed our annual conference for staff at McPherson Newspapers on several occasions. On each occasion his performance was found to be inspirational, informative, entertaining, and humorous. His engaging style of story telling while at the same time delivering a message of how each of us can 'maximise our potential' kept his audience enthralled.

Dale, I want to thank you for your excellent motivational speaking skills last Saturday at the Windsor Hotel. Your presentation, manner and content were all exemplary. In particular, I was impressed with the time concern and effort you put into the planning meetings leading up to the event.

Michael Hunt (Manager)

Dale, let me thank you for your invaluable contribution to our curriculum day last week. I firmly believe that the day was a success due largely to your information yet highly entertaining presentation. The curriculum day has generated lots of discussion amongst the staff and several initiatives have already taken place.
